¹ Applicant's budgeted fees in the instant Fourth Interim Application were based upon the blended rate of \$610 per hour for all timekeepers from the Applicant's Third Interim Application (Doc. No. 6286). During the months covered by Applicant's Fourth Interim Application, Applicant's staffing resulted in an increase in the blended rate for all timekeepers from \$610 per hour to approximately \$692 per hour; however, Applicant did not apply its customary annual rate increases, which rates became effective in January, 2020, to the professionals for their services to the TCC as a courtesy to the TCC and the estates. In addition, Applicant's blended hourly rate for services performed on behalf of the TCC are well below Weil, Gotshal & Manges LLP's blended hourly rate of \$1,015. The fees sought in this Fourth Interim Application continue to be in-line with the fees budgeted.
